5.1 The Grantee shall only use the grant funds that UNOPS determines to be reasonable, allocable, and eligible in accordance with the terms of this Agreement. The following definitions of what may be considered as reasonable, allocable, and eligible costs apply:

(d) **Reasonable**: shall mean those costs which are generally recognized as ordinary and necessary and would be incurred by a prudent person in the conduct of normal business.

(e) **Allocable costs**: shall mean those costs which are incurred specifically in connection with the Agreement, and are provided in Annex C [Grant Budget].

(f) **Eligible costs**: shall mean those costs which conform to any limitations in the Agreement.

5.2 The eligible costs must be incurred during the period of the Activity, specified in Clause 3 of the Agreement and recorded in the Grantee's accounts in accordance with accepted accounting procedures.

5.3 Prior to incurring any questionable, unusual, non-standard, or unique cost, the Grantee shall obtain UNOPS's written pre-approval to incur such cost. UNOPS reserves the right to reject such costs, including retroactively, and to seek repayment or offset from the Grantee of any disallowed expenditures, misallocated funds, or unapproved costs. UNOPS may, at its discretion, agree to a structured remediation plan where circumstances warrant.

5.4 It is UNOPS policy that no funds shall be paid as profit or fee, nor shall they have the purpose of producing a direct or indirect financial profit to a Grantee under this Agreement or any sub-Grantee. This restriction does not apply to subcontractors of the Grantee under this Agreement.

6. Accounting, Audit, and Records

6.1 The Grantee undertakes to promptly provide any detailed information requested by UNOPS to verify that the Activity and the provisions of the Agreement are being properly implemented.

6.2 The Grantee shall maintain, and require any sub-Grantee to maintain, all financial records, supporting documents, statistical records and all other records pertinent to this Agreement in accordance with its national legal requirements and at a standard sufficient to allow UNOPS to verify that funds have been used solely for the purposes of this Agreement. Accounting records that are supported by documentation will, at a minimum, be adequate to verify all costs incurred under the Agreement, receipt and use of goods and services acquired under the Agreement, the costs of the Activity supplied from other sources, and the overall progress of the Activity. Unless otherwise notified, the Grantee's records and sub-Grantee records which pertain to this Agreement shall be retained for a period of seven years from the date of submission of the final financial report and may be audited by UNOPS and/or its representatives.

6.3 The Grantee shall furnish, compile and make available at all times to UNOPS any records or information, oral or written, which UNOPS may reasonably request in respect of the funds received by the Grantee.

6.4 UNOPS shall retain the right to conduct an investigation, a financial review, require an audit, or otherwise ensure adequate accountability of organizations expending UNOPS funds. The Grantee shall fully cooperate with any such exercise and shall provide UNOPS with timely access to all relevant records, sites, personnel, and information as may be reasonably required.

6.5 The Grantee shall allow UNOPS personnel and representatives (including internal and external UNOPS auditors and/or investigators) the appropriate right of access to sites and premises of the Activity, and to all records and information required to conduct an investigation, a financial review or an audit.

6.6 This Article 6 in its entirety shall be incorporated into all sub-grants to eligible sub-Grantees that exceed USD 30,000. Sub-grants to eligible sub-Grantees that are for more than USD 2,500 but less than USD 30,000 shall, at a minimum, incorporate this Article 6.2.

7. Bank accounts, Payment Advances and Refunds

7.1 The Grantee shall maintain advances of UNOPS funds in a dedicated and separate account, meaning a single bank account used exclusively for the receipt, holding, and disbursement of

funds from UNOPS, and is not used for any other purpose unrelated to UNOPS. This account may be used for multiple UNOPS agreements, subject to proper fund management and reporting. The dedicated bank account must:

(a) Be held in the name of the Grantee;

(b) Be denominated in the currency in which payments are made under the Agreement; and

(c) Be located in the country of implementation, unless otherwise agreed in writing by UNOPS.

7.2 Only one dedicated bank account per Grantee, per country, per currency is permitted, unless expressly authorized by UNOPS.

7.3 The dedicated account must be interest-bearing, unless:

(a) The Grantee receives less than $100,000 in UNOPS awards per year;

(b) The best reasonably available interest-bearing account would not be expected to earn interest in excess of $250 per year on UNOPS cash balances; or

(c) The depository would require an average or minimum balance so high that it would not be practical to maintain the advance in an interest-bearing account.

7.4 Upon expiry or termination of this Agreement, the Grantee shall refund to UNOPS, within thirty (30) calendar days, any portion of the funds advanced by UNOPS that remains unexpended as of the effective date of expiry or termination.

7.5 The Grantee may submit a written request to retain a portion of such unexpended funds to cover reasonable closure costs. However, any such request must include supporting documentation and justification, and shall be subject to approval at the sole discretion of UNOPS. No such request shall be approved where the Agreement is terminated due to the Grantee's breach, failure to fulfil a substantial obligation, or engagement in Proscribed Practices. However, if the termination results from a Force Majeure Event or other circumstances beyond the Grantee's reasonable control, UNOPS may consider such requests favourably, provided the proposed costs are verified to be necessary and proportionate.

7.6 Funds that the Grantee has obligated under legally binding commitments, in accordance with this Agreement and incurred prior to the effective date of expiry or termination, shall not be subject to refund.

7.7 If the funds disbursed by UNOPS prior to the effective date of expiry or termination are insufficient to cover the Grantee's outstanding legally binding obligations properly incurred under this Agreement and prior to such date, the Grantee may submit a written request for reimbursement to UNOPS. Such a request must be submitted no later than ninety (90) calendar days from the effective date of expiry or termination, and must be accompanied by complete supporting documentation demonstrating that the obligations:

(a) Were incurred in full compliance with this Agreement;

(b) Could not reasonably have been avoided; and

(c) Remain unpaid.

7.8 UNOPS shall assess such a request and may, at its sole discretion and subject to the availability of funds and compliance with applicable conditions of the Agreement and any relevant funding arrangement, authorize reimbursement of such costs in whole or in part. UNOPS shall have no obligation to reimburse any amount not fully substantiated or incurred outside the terms of this Agreement.

7.9 Notwithstanding any other provision herein, UNOPS further reserves the right to require a refund of any funds that were not used in compliance with the terms and conditions of this Agreement, including ineligible or unsupported expenditures, regardless of whether such use is identified through routine financial review or audit.

7.10 A final audit may be conducted by UNOPS either before or after the expiry or termination of this Agreement. For the avoidance of doubt, UNOPS's right to require a refund based on the results of any such audit shall survive the administrative and financial closure of the Agreement and shall remain in effect until all audit findings have been resolved to the satisfaction of UNOPS.

7.11 The Grantee acknowledges that UNOPS and its representatives have made no express or implied commitment to provide funding in excess of the amount specified in this Agreement. In the event that any portion of the funds is refunded to UNOPS, or if this Agreement is terminated or rescinded, the Grantee further acknowledges that UNOPS shall have no further financial or contractual obligation to the Grantee in connection with this Agreement or the Activity.

8. Revision of Agreement Budget

8.1 The approved Agreement budget is the financial expression of the Grantee's programme as approved during the award of the Agreement process.

8.2 The Grantee is required to report, in writing, deviations from budget and programme plans, and request prior approvals from UNOPS for any of the following reasons:

(a) Any change to the scope, objectives, or intended outcomes of the Activity.

(b) Any cumulative reallocation of more than 25% of the total grant value between major budget categories (e.g., Personnel, Equipment, Travel) over the duration of the Agreement. UNOPS may also require prior written approval for reallocations below this threshold if such changes materially affect the Activity's delivery, outcomes, or compliance with donor conditions. The Grantee shall notify UNOPS of any reallocation that exceeds 10% of the total grant value, even where prior approval is not otherwise required.

(c) Any transfer of funds between indirect and direct cost categories, where such indirect costs are specifically budgeted as a fixed amount or subject to a specific ceiling in the budget.

(d) Any request for additional funding beyond the total grant amount specified in this Agreement.

(e) The replacement of any individual designated as a "**Key Person**" under this Agreement. For the purpose of this Agreement, "**Key Person**" means any individual specifically identified as critical to the implementation of oversight of the Activity.

(f) A reduction of 25% or more in the time commitment of any Key Person assigned to the Activity.

(g) The Grantee intends to contract or sub-grant any of the Activity under this Agreement, and such contracts or sub-grants were not included in the approved Agreement Budget.

8.3 The Grantee shall not incur costs in excess of the total grant amount specified in this Agreement. UNOPS shall not be obligated to reimburse any amount exceeding the approved ceiling.

8.4 Any increase to the total grant amount shall require a formal amendment to the Agreement in writing, regardless of which Party proposes the increase.

8.5 The total grant amount under this Agreement is not subject to any adjustment or revision because of price or currency or exchange rate fluctuations, or because the actual costs incurred by the Grantee exceed the approved budget.

9. Procurement of Goods and Services

9.1 Where implementation of the Activity requires the award of procurement contracts, the Grantee shall maintain a written code or standards of conduct that shall govern the performance of its employees engaged in the awarding and administration of contracts. No employee, officer, or agent of the Grantee shall participate in the selection, award, or administration of a contract supported by UNOPS funds if a real or apparent conflict of interest exists. Such conflict would arise when any such employee, officer or agent, or any member of the employee's immediate family, the employee's partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Grantee shall neither solicit nor accept gratuities, favours, or anything of monetary value from contractors or parties to sub-agreements. However, the Grantee may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Grantee.

9.2 The Grantee shall establish written procurement procedures if the procurement of goods or services in excess of USD 2,500 is envisaged under this Agreement. All procurement transactions shall be conducted in a manner that provides, to the maximum extent practicable, transparent, open, and free competition and the use of resources in an ethical, efficient, and effective manner. The Grantee shall be alert to organizational conflicts of interest as well as non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. To ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids, and/or requests for proposals shall be excluded from competing for such procurements. Contracts shall be made to the offeror whose offer is responsive to the solicitation and is most advantageous to the Grantee, considering price, quality, and other factors. Solicitations shall clearly establish all requirements that the bidder or offeror shall fulfil to be evaluated by the Grantee. Any and all offers may be rejected when it is in the Grantee's interest to do so.

9.3 Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources.

9.4 Grantees shall ensure that the conditions applicable under these General Conditions are also applicable to the contractor.

10. Sub-Grant Agreements

10.1 Sub-grant agreements shall be made only with responsible sub-Grantees that demonstrate integrity, sound financial and technical capacity, and the ability to perform successfully under the terms and conditions of a proposed sub-grant agreement. Prior to signature, the Grantee shall conduct appropriate due diligence to assess the eligibility and suitability of the proposed sub-Grantee.

10.2 All sub-grant agreements shall, at a minimum, contain provisions sufficient to constitute a sound and complete agreement and to give effect to the relevant requirements of this Agreement. The Grantee shall ensure that the conditions applicable under these General Conditions are, to the extent relevant, also applicable to its sub-Grantees, with necessary references to UNOPS replaced by references to the Grantee.

10.3 The Grantee shall retain documentation of its due diligence assessments and notify UNOPS in writing of each proposed sub-Grantee prior to entering into any sub-grant agreement, providing basic identifying details and confirmation of their eligibility and suitability. UNOPS reserves the right to review or reject any proposed sub-Grantee where fiduciary, legal, or reputational risks are identified.

11. Non-expendable equipment

11.1 Unless otherwise stipulated in the Special Conditions, title to all non-expendable equipment purchased with project funds supplied by UNOPS shall be the property of UNOPS.

11.2 The Grantee shall maintain records of tangible and intangible assets of USD 1,000 or more, as well as assets with an acquisition value under USD 1,000 that are considered restricted/dual-use,[5] purchased with project funds supplied by UNOPS. As applicable, within two (2) months from the effective date of the Agreement, the Grantee shall submit an asset acquisition plan to UNOPS. The Grantee will submit an inventory of such assets to UNOPS, indicating the description, serial number, date of purchase, original cost, present condition, and location of each item every six (6) months. Assets purchased by the Grantee with funds supplied by UNOPS shall be used solely for the purposes indicated in Annex B [Terms of Reference] throughout the duration of this Agreement.

11.3 Within ninety (90) calendar days after the end of the Agreement, the Grantee shall provide a Final Asset Inventory List for review and approval by UNOPS, with a corresponding detailed proposal outlining the future status of those assets, namely, whether they are intended for sale, transfer, or donation.

11.4 In the event of total damage, theft or other loss of any non-expendable equipment purchased by the Grantee with funds supplied by UNOPS, the Grantee shall notify UNOPS immediately upon discovery of the incident and shall submit, within one (1) month, a comprehensive report including, where appropriate, a police report and any other evidence providing full details of the circumstances leading to the loss.

12. Proscribed Practices

12.1 The Grantee warrants that neither it nor its personnel will engage in, have engaged in, or have attempted to engage in any proscribed practices in connection with the performance of this Agreement or any other contract or agreement with UNOPS or any other United Nations entity and the personnel, representatives, officials or other agents thereof. The Grantee shall also take all reasonable measures to ensure that its sub-Grantees and sub-contractors (if any) do not engage in such practices, and shall promptly notify UNOPS of any actual or suspected occurrence.

12.2 For the purposes of this Agreement, "**Proscribed Practices**" shall consist of any of the following practices:

[5] **"Restricted or dual-use assets**" refers to equipment, materials, software, or technology that may be used for both civilian and military purposes, or that are otherwise subject to export control, sanctions, or licensing requirements under applicable international, regional, or national laws and regulations.

(a) A **corrupt practice** is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to improperly influence the actions of another party.

(b) A **fraudulent practice** is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation.

(c) A **coercive practice** is an act or omission that impairs or harms, or threatens to impair or harm, directly or indirectly, any party or the property of the party to influence the actions of a party improperly.

(d) A **collusive practice** is an arrangement between two or more parties designed to achieve an improper purpose, including improperly influencing the actions of another party.

(e) An **unethical practice** is conduct or behavior that is contrary to the Corruption, Disclosure, Conflict of Interest, Gifts and Hospitality, or Post-Employment Restrictions provisions as described in the UN Supplier Code of Conduct (https://www.ungm.org/Public/CodeOfConduct).

(f) **Obstruction** is acts or omissions by a Government that prevent or hinder UNOPS from investigating instances of possible Proscribed Practices.

12.3 The Grantee shall promptly inform UNOPS of any allegations of Proscribed Practices arising in relation to the performance of this Agreement by reporting the allegation through the confidential UNOPS Integrity Portal at https://integrity.unops.org/, or through any other means agreed upon in writing with UNOPS.

12.4 The Grantee shall be responsible for promptly and thoroughly investigating allegations of Proscribed Practices. The Grantee shall keep UNOPS informed of the progress and outcome of such investigations, and shall take appropriate corrective or disciplinary action to address any confirmed Proscribed Practices or related process/control weaknesses. UNOPS reserves the right to conduct its own investigation or take any other measures it deems appropriate if it is not satisfied with the actions or findings of the Grantee.

12.5 The failure of the Grantee to comply with the obligations in this Article 12 shall constitute grounds for immediate termination of this Agreement in accordance with Article 17 [Termination].

13. Anti-terrorism

13.1 The Grantee agrees to undertake all reasonable efforts to ensure that none of the UNOPS funds received pursuant to this Agreement are used to provide support to individuals or entities associated with terrorism and that the Grantee or any sub-Grantees of any amounts provided by UNOPS hereunder do not appear on the list maintained by the Security Council Committee established pursuant to resolution 1267 (1999). The list is established and maintained by the 1267/1989 Committee and can be accessed on the United Nations website (http://www.un.org) or directly through the following link: https://www.un.org/sc/suborg/en/sanctions/1267/aq_sanctions_list. This provision must be included in all sub-contracts or sub-agreements entered into under this Agreement.

14. Child Protection

14.1 The Grantee will not engage in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child. The Grantee will undertake to protect children from abuse of all kinds in the implementation of the Activity. This provision in its entirety shall be incorporated into all sub-grants to eligible sub-Grantees.

15. Force Majeure

15.1 For the purpose of the present Agreement, "**Force Majeure**" shall mean any unforeseeable and irresistible event or condition beyond the reasonable control of either Party, which prevents the performance, in whole or in part, of any obligation under this Agreement. Force Majeure may include, without limitation, acts of nature, pandemics, any act of war (whether declared or not), invasion, armed conflict, revolution, insurrection, terrorism, significant or sustained deterioration of security conditions within an existing conflict environment, funding disruption, or any other events of a similar nature or force, provided that such events arise from causes beyond the control and without the fault or negligence of either Party.

15.2 If a Party is unable to perform its obligations under this Agreement due to Force Majeure, it shall notify the other Party in writing as soon as reasonably practicable, and in any event no later than seven (7) calendar days after becoming aware of the event. Such notice shall include full particulars of the Force Majeure and its expected duration and impact on performance.

15.3 If UNOPS determines that a Force Majeure event has occurred, UNOPS may, in its sole discretion, suspend, in whole or in part, the Activity under this Agreement in accordance with the suspension procedures set out in Article 16 [Suspension]. Any suspension under this Article 15 shall follow the same notification, suspension, and resumption procedures as specified in Article 16 [Suspension].

15.4 If the Force Majeure continues for a period exceeding thirty (30) days, or if UNOPS determines that it frustrates the purpose of this Agreement in time or substance, UNOPS may terminate this Agreement by giving fourteen (14) days' written notice to the Grantee. Such determination by UNOPS shall be made in good faith and with due regard to the circumstances of the Force Majeure event.

15.5 During any period of Suspension due to Force Majeure:

(a) UNOPS shall not be required to provide any additional funding beyond the total amount of the Grant due to a Force Majeure Event, and shall have no obligation to renegotiate the budget amount on the basis of Force Majeure or suspension under this Article 15.

(b) The Grantee shall take all reasonable steps to mitigate costs and shall limit expenditures. However, the Grantee may utilize any unexpended funds already disbursed by UNOPS for reasonable and proportionate mitigation efforts, including safety, asset protection, or essential personnel costs. All such expenditures must be consistent with the principles of cost efficiency and in line with the Grantee's obligation to minimize the impact of the Force Majeure Event. Expenditures beyond these essential functions must be approved in writing by UNOPS.

16. Suspension

16.1 For the purposes of this Agreement, "**Suspension**" shall mean the temporary cessation of implementation activities under this Agreement, including the halt of all related expenditures and commitments for the suspended portion of the Activity, unless otherwise authorized in writing by UNOPS.

16.2 Pursuant to Article 1.6 [Liability and General Obligations of Grantee], and without prejudice to the remedies available therein, if UNOPS, in its sole discretion, determines that the Grantee is not performing to a satisfactory standard, UNOPS may suspend, in whole or in part, the Activity under the Agreement as a remedial measure. During such suspension, UNOPS may engage the Grantee to renegotiate and/or propose necessary amendments to the Agreement to redress the situation.

16.3 UNOPS shall notify the Grantee in writing of any such suspension, specifying the reasons for the suspension and any conditions to be met by the Grantee to resume the Activity. The suspension will take effect on the date the Grantee receives the notification.

16.4 Upon receipt of a suspension notice, the Grantee shall immediately cease all expenditures and commitments related to the suspended portion of the Activity, unless otherwise authorized by UNOPS in writing.

16.5 The suspended Activity, or any part thereof, may only resume upon written agreement between UNOPS and the Grantee regarding the terms of continuation (including any amendment to the duration or other terms of the Agreement). Any such agreement shall take the form of a written amendment to the Agreement, pursuant to Article 18 [Amendment] of the General Conditions.

16.6 If, in the sole opinion of UNOPS, the issues that led to the suspension are not adequately addressed within a reasonable period, UNOPS may terminate this Agreement, in whole or in part, in accordance with Article 17 [Termination].

16.7 Any portion of this Agreement not suspended shall remain in full force and effect.

17. Termination

17.1 UNOPS may terminate this Agreement at any time, in whole or in part, upon fourteen (14) calendar days' written notice to the Grantee, if UNOPS determines that:

(c) The Grantee has failed to fulfil a substantial obligation under this Agreement; or

(d) Sufficient funds have not been made available to UNOPS by its Funding Source(s) to continue financing the Agreement, provided that this does not arise from a Force Majeure event under Article 15 [Force Majeure].

17.2 UNOPS may terminate this Agreement at any time, in whole or in part, for convenience, by providing the Grantee with thirty (30) calendar days' advance written notice, and without having to provide any justification thereof.

17.3 The Parties may also terminate this Agreement, in whole or in part, by mutual agreement in writing. Such mutual termination shall specify the effective date of termination and, where applicable, the portion of the Agreement to be terminated. The agreed terms for mutual termination shall be set forth in a letter of agreement signed by both Parties.

17.4 UNOPS may terminate this Agreement or any part thereof, with immediate effect upon written notice to the Grantee if it determines that the Grantee or its representatives engaged in Proscribed Practices in connection with the award or the execution of this Agreement, and the Grantee has not taken timely and appropriate corrective action satisfactory to UNOPS. UNOPS shall have sole discretion in determining the adequacy of such corrective action.

17.5 Upon receipt of any termination notice (including any notice of intention to mutually terminate the Agreement) under this Article, the Grantee shall immediately:

(d) Take all reasonable steps to minimize expenditures and obligations financed by this Agreement; and

(e) Cancel any unliquidated obligations where possible.

17.6 The Grantee shall not incur costs after the effective date of termination.

17.7 Any portion of this Agreement not terminated shall remain in full force and effect.

18. Amendment

18.1 No modification of or change in this Agreement, waiver of any of its provisions or additional contractual provisions shall be valid or enforceable unless approved in writing by the Parties to this Agreement or their duly authorized representatives in the form of an amendment to this Agreement or waiver duly signed by the Parties hereto.

19. Dispute Resolution

19.1 Any controversy or claim arising out of, or in accordance with this Agreement or any breach thereof, shall, unless it is settled by direct negotiation, be settled in accordance with the UNCITRAL Arbitration Rules as at present in force. Where, in the course of such direct negotiation referred to above, the parties wish to seek an amicable settlement of such dispute, controversy or claim by conciliation, the conciliation shall take place in accordance with the UNCITRAL Conciliation Rules as at present in force. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy or claim.

20. Privileges and Immunities

20.1 Nothing in or relating to this Agreement shall be deemed a waiver, express or implied, of any privileges and immunities of the United Nations and/or UNOPS.

21. Protections Against Sexual Exploitation and Abuse

21.1 Grantee shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by its Personnel or any other persons engaged and controlled by Grantee to perform any activities under the Agreement. For these purposes, sexual exploitation is defined as any actual or attempted abuse of a position of vulnerability, differential power, or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another. Sexual abuse means the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions. Sexual exploitation and abuse are strictly prohibited. The Grantee, its employees, agents or any other persons engaged by the Grantee to perform any services under this Agreement, shall not engage in any sexual exploitation and abuse. The Grantee acknowledges and agrees that UNOPS will apply a policy of "**zero tolerance**" with regard to sexual exploitation and abuse of anyone by the Grantee, its employees, agents or any other persons engaged by the Grantee to perform any services under this Agreement, in accordance with the UNOPS Prevention and Protection against Sexual Exploitation and Abuse (SEA), and Sexual Harassment (SH) Strategy. The Grantee shall take measures to comply with the United Nations Protocol on Allegations of Sexual Exploitation and Abuse involving Implementing Partners.

21.2 The Grantee shall report allegations of sexual exploitation and abuse, of which the Grantee has been informed or has otherwise become aware, to the UNOPS Internal Audit and Investigation Group or through the confidential UNOPS Integrity Portal (https://integrity.unops.org/) within 24 hours. To the extent legally possible, the Grantee will also require its employees, agents and any other persons engaged by the Grantee to perform any services under this Agreement, to report allegations of sexual exploitation and abuse arising in relation to this Agreement.
